

Serial No. 09/853,044
Amdt. dated August 31, 2004
Reply to Office Action of June 8, 2004

Docket No. CIT/K-0146

Amendments to the Specification:

Please replace the paragraph beginning at line 8 on page 13 with the following amended paragraph:

If the observer head 37 is within the main viewing zone, no signal occurs in the head position detector ~~[[41]]~~ 34. However, if the observer head 46 moves to either the boundary of the main viewing zone or out of the boundary, the head tracking system 33 directly traces movement of the observer head and transmits a resultant signal to the head position detector 34.
